

The map displays the United Kingdom with various aviation categories and flight levels. The categories are color-coded: VFR (green), MVFR (blue), IFR (red), and LIFR (pink). The flight levels are indicated by numbers: 13000, 6000, 4800, 3400, 2300, 1900, 1400, 1000, 700, 500, 400, 300, 200, 100, 000. The map shows a complex network of flight paths and boundaries between different categories and levels. The legend in the bottom right corner is titled "Aviation Categories" and lists the four categories with their corresponding colors.
