

The map displays the United Kingdom with a grid of aviation categories. The legend indicates four categories: VFR (green), MVFR (blue), IFR (red), and LIFR (pink). The map is predominantly green, indicating VFR conditions. A few blue regions are visible, particularly in the central and eastern parts of the country. The numbers on the map represent various aviation-related data points, such as altitude or frequency. The map is divided into numerous small regions, each labeled with a number. The numbers range from 13000 to 19000, with 13000 being the most common. Other numbers include 4800, 5500, 6000, 7500, 8000, 8500, 9000, 10000, 11000, 12000, 13500, 14000, 15000, 16000, 17000, 18000, and 19000. The map also shows the coastlines of the United Kingdom and the surrounding waters.
